

**RESOLUTION 21-21  
SUPPORT PEOPLE OF ASIAN AND  
PACIFIC ISLANDER ANCESTRY  
AND CONDEMNING HARASSMENT,  
VIOLENCE AND HATRED TOWARD PEOPLE OF  
ASIAN AND PACIFIC ISLANDER DESCENT**

WHEREAS, basic human decency requires a respect and acceptance for people of all backgrounds, and the motto of the United States of America is "E pluribus unum," meaning "Out of many one"; and

WHEREAS, America's professed values include a commitment to liberty, equality and justice for all — values the country has often failed to reach but should never stop striving to attain; and

WHEREAS, America's diversity is a source of strength and prosperity and California's vibrant communities benefit from cultural contributions made by people of every ancestry; and

WHEREAS, California is home to the largest population of Asian and Pacific Islander Americans, a group that has enriched the state in countless and invaluable ways; and

WHEREAS, people of Asian and Pacific Islander descent have suffered intense discrimination since California's earliest days, including, but not limited to, the inhumane policies and treatment toward Chinese immigrants in the gold mining era, the Chinese Exclusion Act, the persecution of Filipino American workers, and the internment of Japanese Americans during World War II; and

WHEREAS, that discrimination continues today in the repugnant form of terroristic violence against Asian and Pacific Islander Americans; and a climate where Americans of Asian and Pacific Islander descent are being targeted, scapegoated, victimized, and killed because of their race; and

WHEREAS, an analysis by the Center for the Study of Hate and Extremism at California State University, San Bernardino found that overall hate crimes in America's largest cities decreased by 7 percent in 2020, while hate crimes targeting people of Asian and Pacific Islander ancestry rose by nearly 150 percent during that same period; and

WHEREAS, in many school districts, fear of violence and harassment has been identified as a factor in low rates of return to in-person instruction among Asian and Pacific Islander American students; and

WHEREAS, schools have an obligation not only to prepare students academically but also to provide the foundation for personal growth and responsible participation in civic life; and

WHEREAS, the Moraga School District embraces and values the diversity that exists among our community; is respectful, supportive, and appreciative of all differences; and teaches students to be culturally conscious; and

WHEREAS, schools must avoid the "model minority" trap and the related tendency to overlook the circumstances of Asian and Pacific Islander American children merely because this student group, on the whole, demonstrates high academic achievement; and

WHEREAS, Moraga School District's values of inclusiveness, humanity, respect, and non-discrimination demand that we support students of Asian and Pacific Islander ancestry and the larger Asian and Pacific Islander American community in this moment of national strife and at all times;

NOW, THEREFORE BE IT RESOLVED, that the Governing Board of the Moraga School District condemns hatred, xenophobia, harassment and violence towards people of Asian and Pacific Islander ancestry and commits to creating a supportive, inclusive culture that fully embraces students of Asian and Pacific Islander descent.
